- (4) Transfer of ownership of the securities to be delivered to the Clearing Members and Eurex Clearing AG shall be effected in accordance with the requirement of [CREST EUI](#) and the Irish regulations. Under the Irish regulations upon generation of the **Register Update Request** as prescribed by the CREST [Manual](#), a transferee acquires an equitable interest in the appropriate Number of the securities underlying the relevant ISE Transaction. - (3) If the shares to be delivered are replaced or a cash settlement is determined, the defaulting Clearing Member has to cancel in the electronic system CREST of EUI the delivery instruction which the original ISE Transaction was based upon.

2.1.5.2 Failure to Deliver other Securities except Shares pursuant to Article 15 of Regulation (EU) No 236/2012 and ETFs

Eurex Clearing AG will accept instructions from buying Clearing Members – provided in electronic form by means of the CREST Manual and which are made before the buyer instruction deadline set by the CREST Manual for the acceptance of such instructions within the CREST system. The election right is only to be exercised in electronic form through CRESTEUI. The exercise of an election right which does not comply with the aforementioned provisions is null and void;

- (f) Clearing Members (or their CREST Settlement Agents) are not permitted to opt out of a transformation (skip the transformation) in relation to any ISE Transactions in CREST.
